Commendation Ribbon [A total of 516 Coast Guard officers and men were awarded the Commendation Ribbon for this period]

For excellent service as Engineering Officer of a ship on April 1, 1945 during the amphibious assault against Okinawa Shima. When the ship was struck and severely damaged by enemy air attack and after having abandoned ship he courageously and voluntarily returned aboard to assist in fire fighting and damage control. Through his perseverance, resourcefulness and profound devotion to duty, while in gave personal danger, he aided materially in saving the ship and brining it safely into port.
